SUHD TV

SUHD TV

Quantum dot display

QUANTUM DOT COLOR

Get 64 times* more color expression than conventional 4K

HDR 1000

Experience brightest pictures and finest details with HDR 1000

BEZEL-LESS CURVED DESIGN

Experience surround view with bezel-less curved design

UHD TECHNOLOGY

Discover true detail in every image you see

SMART HUB

TV was never this Smart

QUANTUM DOT COLOR

Lifelike color redefined

For the first time, you will experience subtle nuances just as you see them in the real world. Thanks to the incredible richness of Quantum Dot Color with a color expression up to 64 times* more than 4K TV, it's an experience you will cherish forever.

COLOR ACCURACY

Quantum dot particles emit color at its purest to give you the most accurate color expression.

HDR 1000

Brightest pictures

Experience the brightest pictures and the finest details with HDR 1000. It provides a far superior High Dynamic Range experience for striking brightness, deep contrast, exceptional details and vividly accurate colors.

PEAK ILLUMINATOR

Enjoy vibrant and realistic images at the highest level of brightness, engineered to reach new heights.

*Compared to 4K with 8bit panel TV models. Based on Samsung KS9000 model comparison to Samsung 2014 UHD TVs. Product images, features and specifications shown are for representation purpose only and may vary from model to model.

SUHD TV

BEZEL-LESS CURVED DESIGN

Experience surround view

Samsung SUHD TV is truly a work of art from every angle. While the bezel-less curved design makes it a masterpiece, the curved screen provides a surround viewing experience like never before.

CURVED SCREEN

The curved screen surrounds you with a lifelike viewing experience like never before and gives an enhanced feeling of depth.

BEZEL-LESS CURVED DESIGN

The bezel-less design gives you a boundless viewing experience, with no boundaries between you and the picture.

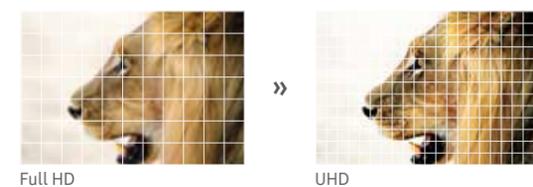

UHD TECHNOLOGY

Discover true detail

Discover even the smallest detail with a resolution four times that of Full HD TV. What's more, Samsung advanced display technology optimizes even lower resolution content to near UHD levels*.

UHD

Discover the captivating picture quality of UHD TV. With four times the resolution of Full HD TV, all of the details come alive.

UHD UPSCALING

Get crisp UHD images, even with lower-resolution content, because of UHD Upscaling image processing technology.
