

MADE FOR MUSIC. DESIGNED FOR YOU

Our new Spendor A-Line loudspeakers prove you don't need a big space, or budget, to enjoy dynamic, open and exhilarating sound. If you're someone who truly loves music, whichever model you chose, they will add a whole new dimension to your listening pleasure.

They are slim, compact and you can place them easily and unobtrusively into your living space and they will fill the room with a clear captivating sound. And thanks to innovative Spendor technology the A-Line loudspeakers will get the very best from whatever equipment you have.

## WHAT HI+FI? AWARDS 2017 Stereo speakers
