FRENCH HIGH END SPEAKER MANUFACTURE

DYNAMIC

Our **horn-loaded tweeter** increases the overall efficiency of the speaker, thereby producing tremendous **energy and vitality**.

LIGHT

To create an **excellent realism** of voices, as well as the finesse and details of each instrument, TRIANGLE uses **light and resistant materials** to maintain maximum information levels even at low volume.

FAST & ACCURATE

The woofers are designed to assure that the bass driver moves **quickly and precisely**. The full control of the bass allows the medium to work freely.

1980

1985

1180 is the first model marketed by TRIANGLE. It was highly successful with high-end audio dealers who appreciated its originality and technical qualities.

ZENITH 1 is the first loudspeaker to feature drivers designed and manufactured by TRIANGLE. This marked a turning point for the company.
