MAGNIFI MAX AX

Trust Your Sound to the Speaker Experts

Polk's flagship sound bar and powerful 10 in wireless subwoofer bring movies, TV, music, and games to life in truly immersive Dolby Atmos and DTS:X 3D sound, thanks to an 11-speaker array (including up-firing height speakers) that's been optimized with patented SDA technology. Stream your favorite songs via Apple AirPlay 2, Chromecast, Spotify Connect, and Bluetooth.

Consumer Benefits

Dolby Atmos, Done Better

An 11-driver array with built-in height drivers works in concert with Polk's patented SDA technology to deliver 5.1.2 Dolby Atmos and DTS:X 3D sound with an accurate and expansive soundstage.

Your Music Streaming Hub

Enjoy high-quality Wi-Fi music streaming from your phone, tablet, or computer with Apple AirPlay 2, Google Chromecast, Spotify Connect, or any Works with Alexa-enabled music service. Connects via Bluetooth, too.

Maximize Bass Impact with a Powerful 10in Wireless Subwoofer

The 10in down-firing MagniFi Max AX subwoofer—our most powerful sound bar sub—delivers the deep, effortless bass that Polk is famous for. Wireless connection allows for convenient placement. Dial in the ultimate sound with BassAdjust.

Hear Every Word

Tired of riding the volume control? Never miss a word of dialogue again. Polk's patented VoiceAdjust™ speech-clarifying technology works with MagniFi's integrated center-channel speaker to bring up the volume of voices over other elements of the soundtrack.

3-in/1-out HDMI switching with eARC

Simplify your setup with 3-in/1-out high-speed, high-bandwidth 4K HDMI connectivity and input switching. Connect gaming consoles, Blu-ray players, streaming boxes, and more to enjoy them with MagniFi Max AX's superior sound quality.
